The accounts of the current year and the Budget of next year are expected to show very heavy deficits between 20 and 25 lakhs. It is therefore not an opportune time for giving increases of pay and adding to Expr

Sd 28/2

The meaning of a deficit in the Revenue Acct is that the ordinary Expr of Government (Revy & non Revy) is more than the Revenue And the difference is met from 'loan' Funds. It is obviously incorrect to give increase of pay from loan Funds.
